

# PRACTICAL TIPS for the early initiation of **GLP-1 RAs**

**Friday, April 14, 2023**  
2:10-2:30 pm EDT

## **JILL TRINACTY**

**MD, FRCPC**  
Clinician, LMC Ottawa,  
Clinician, Bariatric Medical Institute  
Consultant and Affiliate Researcher,  
Bryère Continuing Care,  
St. Vincent Hospital  
Lecturer, University of Ottawa  
Ottawa, ON

## **GIHANE ZARIFA**

**MD, CCFP, FCFP, MSc**  
Assistant Professor, University of Toronto  
Staff Family Physician, Credit Valley FHT,  
Credit Valley FMTU, Credit Valley Hospital  
Mississauga, ON

Join Dr. Jill Trinacty and Dr. Gihane Zarifa in conversation discussing practical considerations for the initiation and use of GLP-1 RAs. What patient risk factors should an endocrinologist or family physician consider when prescribing medications? When should GLP-1 RAs be initiated, what side effects could arise and how can they be managed?

This Corridor Consult is available **LIVE** for **In-Person and Virtual** attendees and **ON-DEMAND** after the congress
