

TYPE 2 DIABETES REMISSION: Making it Possible & Practical

Friday, April 14, 2023

3:50 – 4:45 p.m. ET

InterContinental Toronto Centre or Virtual

225 Front St W, Toronto, ON M5V 2X3

Learning Objectives

At the end of this program, participants will be able to:

- Discuss an overview of remission studies and share recommendations from the new “Remission of type 2 diabetes” clinical practice guideline chapter from Diabetes Canada.
- Understand how to integrate remission into the current management paradigm for type 2 diabetes.
- Provide practical guidance on achieving remission with low-calorie meal replacement from a physician and dietitian perspective.

Agenda

3:50 p.m.	Welcome and Introductions	Heidi Dutton, MD
3:54 p.m.	Type 2 Diabetes Remission: An Overview of the Data	Dylan MacKay, PhD
