

# JOIN US for an Accredited Lunch Symposium as part of the Diabetes Update 2024 Congress

## The New Cadence of Control: Once-weekly Basal Insulin

**FRIDAY, APRIL 12, 2024**

11:55 a.m. – 12:55 p.m. ET

InterContinental Toronto Centre or Virtual  
225 Front St W, Toronto, ON M5V 2X3

**LUNCH WILL BE SERVED BEFORE THE SYMPOSIUM**

### Learning Objectives

After attending the symposium, participants will be able to:

- Describe the evolution of current and emerging basal insulin options available in Canada
- Recognize and overcome key barriers to insulin initiation
- Identify appropriate patients for weekly basal insulin with type 2 diabetes based on landmark clinical trial data
- Utilize practical considerations for initiating, switching, titrating, monitoring, and managing patients treated with weekly basal insulin

### Agenda

Please note that all times are set to Eastern Daylight Time

11:55 a.m.	Welcome and Introductions	Alex Abitbol, MD
11:58 a.m.	Case #1 - Primary Care	Basel Bari, MD
