

JOIN US for a Hybrid Symposium as part of the Diabetes Update 2024 Congress

JUST ASK:

Patient-Centered Communications in the Management of T2D

FRIDAY, APRIL 12

8:55 - 9:55 a.m. ET

InterContinental Toronto Centre or Virtual

225 Front St W, Toronto, ON M5V 2X3

A breakfast buffet will be served at 8:15 a.m. ET

LEARNING OBJECTIVES

After attending the symposium, participants will be able to:

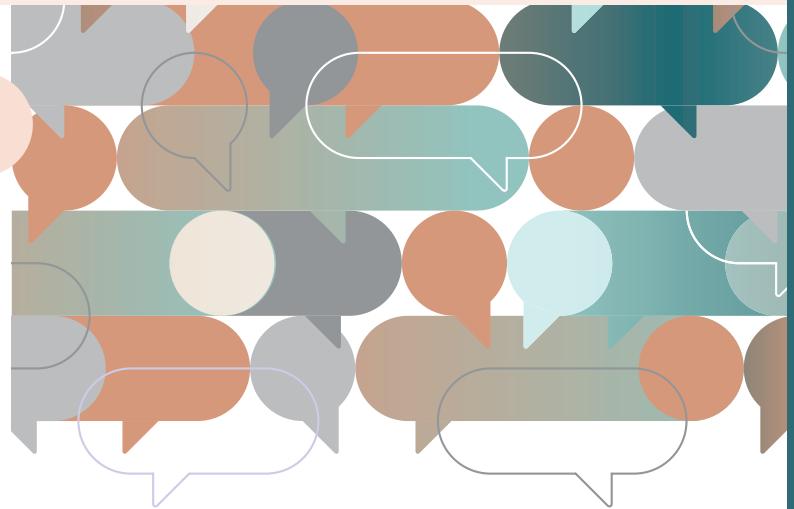

- Apply evidence-based strategies to engage in shared decision-making with patients with T2D to clearly define and personalize their glycemic and weight loss goals
- Identify patient and healthcare professional perspectives and biases that may hinder the effective management of T2D
- Recognize the importance of early glycemic and weight management interventions to prevent complications in patients with T2D

AGENDA

Please note that all times are set to Eastern Daylight Time

8:55 a.m.	Welcome and Introductions	Jill Trinacty, MD
